Certificate in Community Health for AYUSH (Ayurveda/Homeopath/Unani) under NHM (Advt. No. 10/2019)

A. ABOUT THE COURSE

Background: Trained and competent human resources are essential for an effective health care delivery system. There is a pressing need to strengthen health sub centres to provide Comprehensive Primary Care including for NCDs. Global evidence suggests that suitably trained service providers can provide considerable primary care. For this qualified AYUSH (Ayurvedic/Homeopathic/Unani) doctors who could be trained in public health & primary care through suitably designed 'Certificate in Community Health' are posted at Health & Wellness Centre to serve the communities.

The B.Sc (CH) Curriculum is the benchmark for developing this bridge course and these pass out Mid Level Health Providers will be primarily deployed at Health & Wellness Centres. They would possess the necessary knowledge and competencies to deliver comprehensive primary care services and implement public health programmes.

Course Outline: The **Certificate Programmes** will be conducted by IGNOU. Theory classes and hands-on Practicum training will be organized at Program Study Centres and Health Centres (District Hospitals, CHCs, PHCs, Sub Centres, etc.) identified and accredited by IGNOU. In addition to this there would be community visits by students for field-based assignments and research projects.

Eligibility:

Working regular Ayurvedic/Homeopathic/Unani doctor under Govt. of Bihar or,
Working contractual Ayurvedic/ Homeopathic/Unani doctor under NHM/ Govt. of Bihar or,
Fresh Ayurvedic/Homeopathic/Unani doctor.

Medium of Instruction: English/ Hindi for teaching as well as assessments

Course Duration: Six months

Academic Session: January 2020 to June 2020.

Course Objectives: Based on the gaps identified through curriculum mapping between B.Sc (CH) and AYUSH (Ayurveda/Homeopath/Unani) courses, the program would broadly cover the following:

- Introduction to National Health Programs & Health Systems and adherence to national protocols of treatment and care, development of leadership and management skills for effective functioning of H&WCs.
- Public Health Competencies such as understanding the history & evolution of public health in India, analysis of health profile of district, state & country, methods to improve health seeking behaviour, health promotion, nutritional assessment, promotion, education and rehabilitation, use of basic epidemiological tools, morbidity and mortality profiling of community/district, reproductive and child health, understanding concepts of primary and comprehensive health care, health planning and management.
- Teaching on primary care of common conditions will lay emphasis on covering the gaps identified in the course mapping as well as the package of 12 services that has been identified for preventive, promotive and basic curative service delivery for comprehensive primary care – these include the areas of maternal and child health, family planning, communicable diseases, screening for non-communicable diseases, management of acute simple illnesses, basic management of Eye, ENT, Dental, screening for Mental Health and provision of basic palliative care and care for the elderly, with a mechanism for prompt and effective referral where appropriate.

- The course would cover all essential competencies required by a MLHP to deliver care at the Health and Wellness Centres (HWCs). The course would lay extra emphasis on key areas such as Drug Pharmacology, Diagnostic skills including Physical examination, and use of drugs. Basic skills of leadership and management will also be covered in the course.

Evaluation

- Internal evaluation will be conducted by IGNOU periodically through written or practical assignments, depending on the subject being assessed.
- Final Examination will be conducted by IGNOU at the end of the course through written and practical examination.
- Marks distribution to be decided as per IGNOU regulations.

Criteria for Passing: The candidate should obtain at least 50% marks separately in internal evaluation and final examination in each of the theory and practical papers.
